Abstracts Submission:

Participants who wish to give a presentation at the symposium, are requested to submit an abstract for review by the Scientific Committee.

The committee reserves the right to decide on the final form of presentation – a poster or an oral presentation.

Instructions for abstract submission:

Abstract cannot exceed 250 words, and should not include tables and graphs. The deadline for submission is December 30, 2011.

Please include the following information:
Title of the abstract
Full name(s) of the author(s)
Contact details of the presenting author(s)
Details of affiliations of the author(s): Institution, city, country

Abstracts should be submitted by e-mail to:
einat@ofakim.co.il
Dear Colleagues,

It is a real pleasure to welcome you to the ‘Glaucoma Today’ meeting which will take place in Dan Tel-Aviv Hotel, Tel Aviv, on March 29-30, 2012.

This unique international meeting will focus on all aspects relevant to Glaucoma, including: Diagnosis, Treatment and Research.

With active participation of a great faculty with superb opinion leaders in the field, from all over the globe, we will present and discuss key issues which Glaucoma management faces today: Novel medical treatments, innovations in Lasers and surgery, New diagnostic tools, Visual Field and Optic nerve imaging, unique case presentations, research (basic and clinical), and much more. We are all looking forward to your participation in:

‘Glaucoma Today’
March 29-30, 2012
Tel-Aviv, Israel

Shlomo Melamed, MD   Eytan Blumenthal, MD
Symposium Chairpersons

Moshe Lusky, MD
Chairman - Scientific Committee

Tentative Main Topics

- Epidemiology of Glaucoma
- Basic Pathophysiological Mechanisms
- Basic Research
- New Diagnostic Tools
- Diurnal and Habitual IOP
- Measurements of IOP and IOP Sensors
- Risk Factors
- OCT and Optic Nerve Head Evaluation
- Visual Fields
- Angle Closure Glaucoma
- New Drugs for Glaucoma
- Laser Treatment: SLT, Laser CPC, Iridotomy
- Trabeculectomy - Pearls and Pitfalls
- Aqueous Drainage Devices
- Novel Surgical Approaches for Glaucoma: CO2 Laser Sclerectomy, Express, Gold Micro Shunt, NPDS, HighIntensity Focused Ultrasound etc.
